History & Geography	Stone Age to Iron Age: Early British settlements, hunter-gatherers, and hill forts.	Regions of the UK: Splitting England into regions; studying hills, mountains, and coastal features.	The Anglo-Saxons & Scots: Invasions, settlements, kingdoms, and Christian conversion.	Volcanoes and Earthquakes: Structure of the Earth, tectonic plates, Ring of Fire, and volcanic eruptions.	Earliest Civilisations Overview: Focus on Ancient Sumer and the Indus Valley.	Climate Zones and Biomes: Introducing Polar, Temperate, Arid, and Tropical zones.
Rhythm	Hear it, Play it! Exploring Rhythmic Patterns (Y3)		Painting Pictures with Sound (Y3)		Sing, Play, Notate! (Y3)	
PSCHE and Relationship Education	Module 1: Created and Loved by God LKS2 Module One: Created and Loved by God explores the individual. Rooted in the teaching that we are made in the image and likeness of God, it helps children to develop an understanding of the importance of valuing themselves as the basis for personal relationships.		Module 2: Created to Love Others LKS2 Module 2: Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe both online and in our daily lives.		Module 3: Created to Live in Community LKS2 Module Three: Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good. In Life to the Full Plus, further exploration of careers and money lead to understanding that true happiness comes from knowing God's love and finding our identity and worth in Him.	
PE	Forest School	Throwing and Catching Benchball & Handball Gymnastics Individual/Paired group travelling, balances and rolls & sequences on small apparatus.
